

CASUAL LESSON POLICY

For students who cannot commit to weekly lessons, we now offer lessons that can be booked individually.

Drop-in lessons do not reserve a regular weekly timeslot. Instead, students may book any available lesson times with their preferred tutor.

As our weekend and after-school fill quickly, drop-in lessons are best suited to students who have flexibility to attend during daytime hours, particularly before 3:00pm weekdays. You may still request any available slot.

Bookings can only be made one lesson at a time.

A minimum of 24 hours' notice is required to reschedule a drop-in lesson.
